

UKaid / Nepal Health Sector Support Programme

Vacancy Announcement

Nepal Health Sector Support Programme (NHSSP) is a technical assistance programme to the the Government of Nepal's Ministry of Health and Population (MoHP), funded with UKaid. The programme is a technical component of the UK's support to the MoHP under the Nepal Health Sector Programme-3. It is designed to support the goals of Nepal Health Sector Strategy (2015/16-2020/21) and contribute to the MoHP's efforts to provide quality health services leaving no-one behind.

The programme is running from April 2017 and has recently been extended until December 2022 to cover the overarching priorities of Health System Strengthening at Sub National Level. It is implemented by a consortium that is led by Options Consultancy Limited, with HERD International and Oxford Policy Management.

UKaid / NHSSP is seeking highly qualified professionals to fill in the positions as listed below:-
