

Department for International Development – Nepal Health Sector Support Programme (DFID-NHSSP)

Vacancy Announcement

Nepal Health Sector Support Programme (NHSSP) is a technical assistance programme to the Ministry of Health and Population (MoHP), funded by the UK Government through the Department for International Development (DFID) Nepal. NHSSP is a technical component of the UK’s support to the MoHP under the Nepal Health Sector Programme-3. It is designed to support the goals of Nepal Health Sector Strategy (2015/16-2020/21) and contribute to the MoHP’s efforts to provide quality health services leaving no-one behind.

The programme is being implemented between April 2017 and December 2020 by a consortium led by Options Consultancy Limited, with HERD International, Oxford Policy Management and Miyamoto International.
